Welcome Back to all children and families.

Towerbank Library

Here is a preview of the new Towerbank Library

Huge thanks to Orocco Joinery who have donated their time and skills to build us these wonderful shelves. Mark from Orocco also managed the library project with decorators and carpet layers all donating their time.

The next stage is now to order books, fundraise for more books and to continue planning how the library will operate at Towerbank.

The Library project is an excellent example of the whole school family identifying an improvement needed and then working together to make a change.
