

Newsletter Friday 28th September 2018 @TowerbankPS www.towerbankprimary.wordpress.com

The mural in the Wildlife Garden is now complete! We can't wait to see how it looks as the leaves come off the trees and reveal it in its full glory - we hope it will encourage children and teachers to keep using the garden right through the darker months of the year. Thank you to everyone whose been involved in the project: from the volunteers who helped with the painting, the P2 teachers and of course the now P3 children who designed the artwork. Helen and Katy

Fundraising Bake Sale Friday 5 October

On Friday we will be holding the first Fundraising Bake Sale (50p Friday) of the school year. We aim to have one bake sale a term and it is a great way to raise funds. However, to make this a success we need your help.

We will have over 650 customers to cater for and we don't want to run out of baking and leave any disappointed pupils. We would be grateful for your donations of home baked goods - cookies, fairy cakes, traybakes, tablet. Any home baking, but it has to be **nut free**. Baking can be handed in to the school office on Friday 5 October at drop-off.

It would be helpful if you could please label any containers that you want returned, which can be collected from the office. If we have any excess baking, we will sell this at pick-up and containers can be collected directly from us then.

We'd be grateful for any volunteers to help selling the produce too. If you can help, please meet us in the Shelter at 9.30 (or after drop-off).

Finally, don't forget to 50 pences on Friday.

If anyone has any questions please contact me via the Towerbank School Community Facebook group. Thank you for your support. Alison Payne

Over the September holiday weekend, I travelled to Nottingham to compete in a national Fencing competition. I managed to get into the semi-finals and got a bronze medal! I am now ranked 8th in the Girls U11 category in Britain. I started Fencing at the Active Schools club at Towerbank with Prof Andy and now go fencing twice a week. I really enjoy it - and one day I am hoping to beat my older brother!

Merryn, P6

Last week, Omar, Ruby and Gracie participated in an athletics event and won a total of 8 medals between them!

Zoe and Abi showing off their skills. They have worked together to learn a song during their brass tuition which they performed to the class.

Zoe, Sadie and Sandy from P7A took part in the 5k tough mudder for Cancer Research at the weekend.

Stop Plastic Pollution

Every little helps!

Hi, we are the Towerbank Litter Busters (TLB). In the past few days we have collected 7 whole bags of litter just in the playground. We were ashamed to see how the litter is increasing every day.

But this may not just be the pupils. This could be the bins without lids. Someone in our class did a survey and the results show there are four bins without lids. On windy days litter blows out of the bins and because we are so close to the sea it is very easy for litter to cause pollution. We need to get some new bins fast!

People use the bin lids as play pod equipment. STOP LITTERING, SAVE OUR ANIMALS!

From Eilidh, Tilly, Ruby, Leila and Norah. P6

Well done to Hamish (2), Rory (2), Indiana (5) and Sam (5) who recently completed a 3K and 5K Shark Run through fields and forest. "We had to climb over obstacles and hay bales. I loved the river crossing, water slide and getting covered in coloured paint at the end." Indiana (5)
